living and working spaces.

WALL TABLE

TECHNICAL SHEET

WALL TABLE

The wall table are created from a textile material made of Varian ® : a hybrid and biosourced material made of flax fibre.

Manufactured in France by the company CULTURE IN, the Varian wall elements are eco-designed, without VOC emissions, ensuring optimal air quality. The Varian ® meets the requirements of the BREEAM and LEED standards, level “exemplary”.

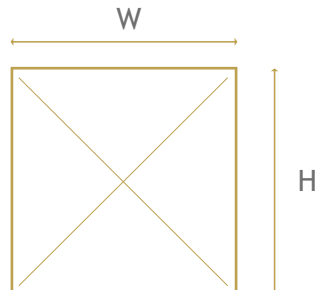

Varian solutions are available without fire treatment for the smallest possible ecological footprint, or with treatment to meet fire regulations.

The acoustic panels have been designed for optimal wall cladding. The wall panels are available in various designs and patterns to bring movement to the space.

WALL TABLE

TECHNICAL CHARACTERISTICS

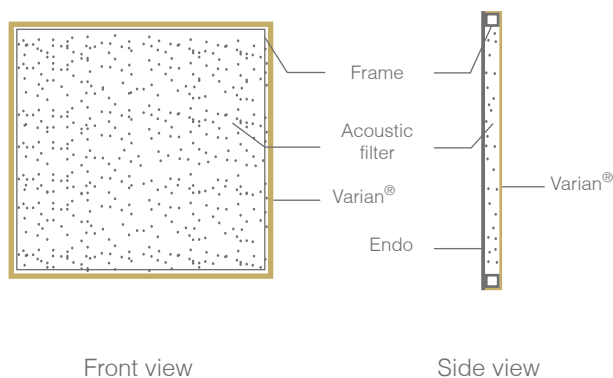

Wall table

	Wall table	
Dimension	Size S	Size M
Width (mm)	800	800
Height (mm)	800	1000
Depth (mm)	30	30
Reference	1TABM002	1TABM001

Dimensions can be customized, please contact us. (maximum width 1200) - Various shaping possibilities, please consult us.
